Alfred Basic Piano Library Course Pack Level 1A - Four book set includes - Lesson, Theory, Technic and Notespeller Books.

This easy step-by-step method emphasizes correct playing habits and note reading through interval recognition. Lesson Book Level 1A (AP.2104) begins by teaching basic keyboard topography and fluent recognition of white key names in relation to black keys. It focuses on simple rhythms and prepares students for intervallic reading with entertaining songs that focus on "same," "stepping up" and "stepping down." It then introduces lines and space notes in treble and bass clefs, melodic and harmonic intervals of 2nds, 3rds, 4ths and 5ths, and graduates to reading on the grand staff. It also introduces the flat and sharp signs. This course is most effective when used under the direction of a piano teacher or experienced musician. Songs Include: Balloons * Batter Up! * A Friend Like You * Hand-Bells * A Happy Song * It's Halloween! * Jolly Old Saint Nicholas * July the Fourth! * Just a Second! * Mexican Hat Dance * My Clever Pup * My Fifth * My Robot * Raindrops * Rain, Rain! * Rockets * Rockin' Tune * Rock Song * Sailing * Sea Divers * Who's on Third? * Willie and Tillie * Wishing Well * The Zoo and more. The Theory Books (AP.2119) are designed to coordinate page-by-page with the Lesson Books. Contains enjoyable games and quizzes that reinforce the principles presented in the Lesson Books. Students can increase their musical understanding while they are away from the keyboard. The Technic Books (AP.2460) provide reading and rhythm drills and exercises perfectly paced with each Lesson Book in Alfred's Basic Piano Library to improve musicianship and develop coordination of the hands. Students needing to review and improve their note-naming and interval-naming skills will benefit greatly from the well-prepared Notespeller Books (AP.6186). Each book provides a variety of written activities that reinforce note reading concepts presented in the Lesson Books. Correlates page-by-page with the Lesson Books, but may also serve as an effective supplement to other piano methods.
