The Final Inning Ernest Grant
Jacksonville, FL, USMC Facility, Time: 0643
When a nearby nuclear explosion occurs destroying most of their base, a crazed new Commanding Officer emerges and plague military and civilian survivors.

While the survivors must evade the escalating threat of a madman, they slowly learn of actions occurring in the background of their new world that are far more sinister.

As seemingly normal survivors claw and crawl through the devastation of the nearly dead installation, courage grows as new dangers hover around every turn. Pursuing scant clues leads them to a vicious, murderer-traitor - a traitor who's only thought is to take as many souls as possible before unleashing his next nuclear device, our survivors must quickly escalate, not only to outwit their new insane leader, but find and stop this traitor bent on causing ultimate destruction.

With madmen holding their lives in balance, the countdown to zero has started. The final bomb is only minutes from detonation. Can it be stopped? Find out.
