Björk Klaus Biesenbach, Alex Ross, Nicola Dibben, Sjon, Timothy B. Morton
Björk is a contemporary icon whose contributions to music, video, film, fashion and art have influenced a generation worldwide. Designed by top graphic design agency M/M as a slipcased world of wonders, this publication?which accompanies The Museum of Modern Art's spring 2015 exhibition on Björk?is composed of six parts: four booklets, a paperback and a poster. Each booklet contains illustrated texts by, respectively, curator Klaus Biesenbach, New Yorker music critic Alex Ross, British professor of musicology Nicola Dibben and the philosopher Timothy Morton (in conversation with Björk), while the poster features artwork from Björk's albums and singles. The main book focuses on her seven major albums and the personas created for each one. Poetic texts by longtime collaborator, Icelandic poet Sjón, are accompanied by shots of Björk performing live; multiple stills from music videos made by directors including Michel Gondry, Chris Cunningham and Spike Jonze; images of Björk in breathtaking costumes by designers such as Alexander McQueen and Hussein Chalayan; and shots by star photographers such as Nan Goldin, Juergen Teller, Stéphane Sédnaoui, Inez van Lamsweerde & Vinoodh Matadin and Araki. All combine to form an extraordinary design masterpiece, celebrating the magical world of Björk.

From reader reviews:

Michael Auten:

Book is written, printed, or highlighted for everything. You can understand everything you want by a publication. Book has a different type. As it is known to us that book is important matter to bring us around the world. Alongside that you can your reading ability was fluently. A reserve Björk will make you to end up being smarter. You can feel far more confidence if you can know about every thing. But some of you think that will open or reading some sort of book make you bored. It isn't make you fun. Why they are often thought like that? Have you searching for best book or suitable book with you?

Diane Wilson:

The book Björk can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book Björk? Wide variety you have a different opinion about reserve. But one aim which book can give many data for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or data that you take for that, you can give for each other; it is possible to share all of these. Book Björk has simple shape nevertheless, you know: it has great and massive function for you. You can look the enormous world by start and read a reserve. So it is very wonderful.

Joyce Hynes:

Information is provisions for individuals to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider while those information which is inside former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take Björk as your daily resource information.

Joan James:

Hey guys, do you desires to finds a new book to learn? May be the book with the title Björk suitable to you? Typically the book was written by popular writer in this era. Often the book untitled Björkis the main of several books that will everyone read now. This book was inspired a number of people in the world. When you read this reserve you will enter the new shape that you ever know just before. The author explained their thought in the simple way, therefore all of people can easily to understand the core of this book. This book will give you a great deal of information about this world now. So that you can see the represented of the world in this book.
