Education in the USSR: International Studies in Education and Social Change (Pergamon International Library of Science, Technology, Engineering & Social Studies) Joseph I. Zajda
Education in the USSR examines the current and official Soviet educational philosophy, with emphasis on social, moral, and political aspects of Soviet education. Organized into five chapters, this book begins with a discussion on the origins of Soviet educational philosophy. Then, the Soviet school as an organization is explained. Subsequent chapters elucidate the moral education and political socialization of Soviet schoolchildren, and the education for labor, patriotism, and defense. The education of Soviet teachers is also addressed.
