Confabulario and Other Inventions (Texas Pan-American)

Juan José Arreola

Confabulario and Other Inventions (Texas Pan-American) Juan José Arreola

This biting commentary on the follies of mankind by a noted Mexican author cuts deeply yet leaves readers laughing—at themselves as well as at others. With his surgical intelligence, Juan José Arreola exposes the shams and hypocrisies, the false values and vices, the hidden diseases of society. *Confabulario total, 1941–1961*, of which this book is a translation, combines three earlier books—*Varia invención* (1949), *Confabulario* (1952), *Punta de plata* (1958)—and numerous later pieces.

Although some of the pieces have a noticeably Mexican orientation, most of them transcend strictly regional themes to interpret the social scene in aspects common to all civilized cultures. Arreola's view is not limited; much of his sophistication comes from his broad, deep, and varied knowledge of present and past, and from his almost casual use both of this knowledge and of his insight into its meaning for humanity. His familiarity with many little-known arts and sciences, numerous literatures, history, anthropology, and psychology, and his telling allusions to this rich lode of fact, increase the reader's delight in his learned but witty, scalding but poetic, satire.

From reader reviews:

Terrance Hutchins:

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even a problem. What people must be consider if those information which is from the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Confabulario and Other Inventions (Texas Pan-American) as your daily resource information.

David Jones:

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only situation that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some investigation before they write to their book. One of them is this Confabulario and Other Inventions (Texas Pan-American).

Stacey Sims:

Is it an individual who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This Confabulario and Other Inventions (Texas Pan-American) can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these publications have than the others?

Emily Ferrell:

Do you like reading a guide? Confuse to looking for your selected book? Or your book was rare? Why so many problem for the book? But virtually any people feel that they enjoy for reading. Some people likes looking at, not only science book and also novel and Confabulario and Other Inventions (Texas Pan-American) or maybe others sources were given know-how for you. After you know how the good a book, you feel desire to read more and more. Science reserve was created for teacher or even students especially. Those books are helping them to add their knowledge. In other case, beside science reserve, any other book likes Confabulario and Other Inventions (Texas Pan-American) to make your spare time considerably more colorful. Many types of book like this.
