Exploring Maui with Kids Travelers Series
Maui is full of Aloha and family-friendly activities to explore in this tropical paradise. For less than the price of parking at most major attractions, this book will allow your family to explore one of Hawaii's most popular islands in an entirely new way and create memories that will last a lifetime.

The Aloha State beckons and Hawaiians are eager to share their culture. As you explore the wonders of these islands, you will discover lush scenery, stunning beaches, amazing fish, and fun activities. Locals love being in the water and your family can enjoy all that Hawaii has to offer.

Destinations include: Iao Valley, Road to Hana, Haleakala, Lahaina, Maui Ocean Center, Beach, Farmers Market, Plantation, Rainforest, Art Gallery, Museum, Luau, Special Hawaiian Meals and more!

A family vacation to Maui will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime.
