Cisco is moving aggressively into the network security arena by unveiling a lineup of a dozen new security products and services, integrating security software features such as firewalls, intrusion detection systems, and VPNs into their industry leading networking hardware offerings. To ensure adequate support for these products and services, Cisco also released a new professional-level certification, Cisco Certified Security Professional (CCSP). The three books contained in this box set provide coverage of all five exams required for the CCSP certification. Box set contains ISBNs 0782142311, 0782142877, and 0782142885.
