Matters of Seduction (Matchmakers Underground) Amanda Stevens

INHIBITED AGENT TURNED WANTON WOMAN

Special Agent Prudence Dunlop was anxious to leave her desk job and get out in the field, but her all-too handsome boss, John Cahill, denied each request she made. So when the opportunity to catch a cunning serial killer arose, Pru would do anything to prove herself. She'd even strip off her plain Jane persona and pose as a seductive temptress in the hopes of luring out the murderer. Instead, she unleashed an even more dangerous scenario between her and her boss. Though taking on the elusive killer threatened her life, would falling in love with John be the greatest risk of all?
