The Mortality Principle (Rogue Angel) Alex Archer

When legend becomes deadly reality…

In Prague researching the legend of the Golem, a fantastical "living" creature made of clay, archaeologist Annja Creed is faced with an even bigger mystery on her hands when someone begins murdering the homeless. And every day there's a fresh corpse.

As the suspicion that Golem is behind the deaths circulates quietly on the streets of the city, Annja cannot resist unraveling the thread that binds science to superstition. According to Czech history, these aren't new attacks. They're part of a greater pattern of murders that have gone unacknowledged over centuries. And now Annja is the next target. Unless she can find the real monster behind the myth…before it finds her.
