Esta edição é dedicada à diversidade. Na primeira parte, são explorados vários aspectos culturais do país – aspectos que estão à margem da vivência e do consumo usual do brasileiro – e como as políticas de gestão cultural trabalham para a assimilação e preservação deles, de modo que não causem fortes impactos na dinâmica social. A segunda parte da revista é composta de artigos escritos por especialistas em cultura e tem como fio condutor a discussão sobre a sobrevivência da diversidade cultural em um mundo globalizado.
