**Passing Strange: True Tales of New England Hauntings and Horrors** Joseph Citro
New England's dark hills, fogbound coasts, and hidden villages have inspired generations of writers such as Hawthorne, Lovecraft, and King. But these authors' dark imaginings pale when compared to little-known but well- documented and true tales. In this delightfully spine-tingling tour of all six New England states, Citro chronicles the haunted history and folklore of a region steeped in hardship and horror, humor, and pathos.
