The Elementary Forms of the Religious Life

Emile Durkheim

The Elementary Forms of the Religious Life Emile Durkheim
The Elementary Forms of the Religious Life is the classic and unabridged work on the sociology of religion by one of the founders of the modern science of sociology-now presented in a library-quality hardcover edition. [Look for the modern edition published by Quid Pro with a red cover; it avoids the proofreading and formatting errors of many "new edition."] Émile Durkheim examines religion as a social phenomenon, across time and geographic boundaries. Some of the most elemental forms of social organization are analyzed, along with their religious beliefs and practices, to determine what is fundamental and shared by societies about religion and faith. • By examining some of the most basic forms of religion, particularly in aboriginal Australia and native America, and using a creative sociological and anthropological approach, Durkheim discovered the core of what separates religion from ritual, mysticism, science, and mere magic-what makes the soul more than a spirit. He lays bare the notion that the "primitive" rite, or any religion, is mainly about fear. • Part of the Classics of the Social Sciences Series from Quid Pro Books, and finally in a library-quality hardcover edition, this contemporary republication includes embedded page numbers from the standard print editions, for continuity of citations across print platforms and Quid Pro's eBook edition (also with the red cover). Standard pagination is a very useful feature for research, classwork, and group assignments. • This work is simply part of the canon of its field (both in cultural anthropology and in the sociology of religion), and is presented by Quid Pro in contemporary paperback and eBook formats. It includes 2012 Notes of the Series Editor, Steven Alan Childress, Ph.D., J.D., a senior professor of law at Tulane University.

From reader reviews:

Scott Barbour:

As people who live in typically the modest era should be change about what going on or facts even knowledge to make them keep up with the era that is always change and advance. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This The Elementary Forms of the Religious Life is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Teresa Laureano:

Reading a guide can be one of a lot of pastime that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new info. When you read a book you will get new information due to the fact book is one of several ways to share the information or their idea. Second, studying a book will make you more imaginative. When you examining a book especially hype book the author will bring you to imagine the story how the characters do it anything. Third, you could share your knowledge to other individuals. When you read this The Elementary Forms of the Religious Life, you may tells your family, friends along with soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a e-book.

Blair Chappell:

Often the book The Elementary Forms of the Religious Life has a lot info on it. So when you make sure to read this book you can get a lot of profit. The book was authored by the very famous author. Tom makes some research just before write this book. This book very easy to read you may get the point easily after scanning this book.

Stacey Greene:

The reason why? Because this The Elementary Forms of the Religious Life is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret the idea inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.
