The Physician's Good Medicine: Studying the Lotus Sutra (Studying The Lotus Stura) (Volume 2)
Ryusho Jeffus
In December 2014 I was invited to Las Vegas by then Bishop Shokai Kanai of the Nichiren Order of North America. He suggested that I do a presentation on the Parable of the Skillful Physician and His Sick Children found in Chapter 16 of the Lotus Sutra. On many occasions I have been asked to share my experiences as a hospital chaplain. It seemed like a good opportunity to combine both and so I began writing this book. This book is the second volume in my series "Studying the Lotus Sutra". In this book as in all the books of this series I take one portion of the Lotus Sutra and examine it more deeply. This book focuses on the parable found in Chapter XVI of the Lotus Sutra; The Physician and His Ill Children. As I write about this parable I am tying to do so in a way that brings the stories told over 2500 years ago into our contemporary lives. I hope that through this little effort of mine a door will open for you to have a greater sense of connection to the Sutra.
