Miss: Never Gonna Love Again (BookStrand Publishing Romance) Laura Marie [BookStrand Contemporary Romantic Suspense] After Julianna McKay is scarred by a killer, her own fiance and the loss of their unborn child, she swears to never love again. She needs a better life, not one living in fear and being controlled. Heading back home to Claire County, Texas and her last chance of survival, she snags the attention of Sheriff Johnny Black, an ex Marine with his own scars and one dominant personality. Julianna is scared but just as intrigued by the Sheriff. The way he acts and the way people avoid him and fear his authoritative demeanor make her avoid him as well. The sheriff is immediately suspicious and intrigued by the new Claire County resident. She is quiet and stubborn but also fearful. Can two strong-minded people with scar-driven paths, broken hearts and nightmares from their past somehow find each other and fall in love? Or will both their pasts come looking for them, trying to destroy any chance at happiness? Note: This book contains some adult language. ** A BookStrand Mainstream Romance
