The Long Count: A John Q Mystery JM Gulvin

In *The Long Count*, the first book of JM Gulvin's masterful new crime series, we meet Ranger John Quarrie as he is called to the scene of an apparent suicide by a fellow war veteran. Although the local police want the case shut down, John Q is convinced that events aren't quite so straightforward.

When his hunch is backed up by the man's son, Isaac - just back from Vietnam, and convinced his father was murdered - they start to look into a series of other violent incidents in the area, including a recent fire at the local Trinity Asylum and the disappearance of Isaac's twin brother, Ishmael. In a desperate race against time, John Q has to try and unravel the dark secrets at the heart of this family and get to the truth before the count is up...

Dripping with atmosphere and a sense of time and place, *The Long Count* is a page-turner and a psychological puzzle - for fans of *Shutter Island* and *True Detective*.
