After the 12 Apostles were Charged by Jesus to go into all the World and before they actually left to go, they all got together and penned this document that was the Teachings of Christ. They were mentioned by many Early Church Fathers such as Eusebius, and were originally penned in Greek. Most translations up to now, have been seriously flawed with denominational errors and bias. This work was translated by the author with no bias, it is the purest translation that is possible today.
