Educar a adolescentes sin morir en el intento (Spanish Edition) Lidia Martín

Este libro se adentra en lo que significa la psicología del adolescente y aporta las herramientas fundamentales para una correcta relación como adultos con ellos.

La autora quiere cubrir la necesidad creciente en familias y profesores que piden perspectivas comprensibles y prácticas para afrontar la adolescencia de sus chicos. También los propios adolescentes, aun sin verbalizarlo, piden a gritos que se comprenda más y mejor la etapa por la que están pasando, exigen que se les entienda, respalde y ayude.

El objetivo de este libro es contribuir a que unos y otros comprendan mejor en qué consiste la adolescencia y cómo podemos, a través de esta comprensión, acercar posiciones de manera práctica, madura y constructiva.
