As Revistas Femininas e Seus Contratos de Leitura no Ambiente da Midiatização (Portuguese Edition)
Bianca Alighieri
Em As revistas femininas e seus contratos de leitura no ambiente da midiatização, o leitor encontrará um estudo das estratégias discursivas de duas revistas femininas populares. A obra observa de que modo essas publicações criam vínculos com suas leitoras e, consequentemente, estabelecem seus contratos de leitura no ambiente da midiatização. Verón, Mouillaud, Fausto Neto e Bakhtin fornecem as bases teóricas e metodológicas para a análise, que ao longo do caminho revelou uma relação, entre publicações e leitoras, fortemente influenciada pela midiatização. Contexto no qual a relação entre mídia e leitores sofre profundas transformações oriundas das novas condições de circulação das mensagens.
