Children of the Green: Raising our Kids in Pagan Traditions Dr. Hannah E. Johnston
Children of the Green is an in-depth consideration of child raising from within pagan spirituality. Written by a long-time pagan witch, educator and parent, it considers the deeper questions of raising children within pagan spirituality, and the building of community for pagan families. Taking a unique approach, Children of the Green focuses not solely on sharing the festivals and celebratory cycles of paganism, but also discusses the moral, ethical and practical issues of raising kids as pagans; from working with schools, handling family changes and crises, child development from a pagan perspective and facing the challenges of a changing world.
