Discovering the Book of Changes - a Journey Graham Taylor
Here is a fresh, fascinating look at the Book of Changes, tracing the mythical and legendary rulers, along with the Taoist and Confucian origins within it, and considering the role of each in the making of the Book of Changes. Essentially, it is offered to the reader as a detailed reappraisal of the wisdom contained within the ancient text. Whether you are old or new to the Book of Changes you will gain much from the practical advice contained in this in-depth, well-researched work. You will discover the Book of Changes is a mirror into yourself and as such, you will learn, through your own inner mirror, to 'know thyself'. Through such a process, you will also learn to enhance your psyche, intuition and instincts, all neglected since the rise of modernity. You will discover, for the first time, the 'true' meaning of colour within the Book of Changes, according to the ancient Taoist, and its practical use in daily life. In addition, you will find out about the workings of an ancient magic charm, in trigram form, also for the first time, which opens up possibilities that a magical formula lies within the Book of Changes. It is a work you will want to reread.
