Alex Unlimited, Vol. 1: The Vosarak Code Dan Jolley
Alexandra Benno has a unique talent: she can instantly summon parallel-dimension versions of herself. But these duplicates are always super-idealized: smart, fast, tough, and often the most beautiful girls in their world--while Alex herself is clumsy, frizzy-haired, and has the body of a twelve-year-old boy! So when the government recruits Alex for top-secret espionage work, it's always her idealized version who gets the action and, consequently, receives all the credit. Sick of being her own sidekick, will Alex be able to crack the Vosarak Code and complete her latest mission . . . or is she destined to live in her own shadow? With pluck and wonder at every turn, Dan Jolley’s smart and action-packed novel series takes the reader on one unforgettable adventure after the next.
