Fins of Fury: My Big Fat Zombie Goldfish Mo O'Hara

When Tom zapped Frankie the goldfish back to life with a battery, he certainly didn't expect him to become a BIG FAT ZOMBIE GOLDFISH with incredible hypnotic powers. But it turns out that a zombie goldfish is a great pet to have on your side when your big brother is an evil scientist whose plans need to be thwarted.

There's something fishy going on in the woods, as Tom and his best friend Pradeep take Frankie on a camping adventure. Could the Beast of Burdock Woods be real?

Then, something weird is going on with Mark. He's actually being . . . nice! Meanwhile, paranormal pets (including a teleporting tortoise, a mostly invisible poodle, a levitating budgie, and a vampire kitten) are missing all over town. Can Tom and Pradeep find out what's going on before Frankie disappears?

From reader reviews:

John McDole:

What do you about book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this specific Fins of Fury: My Big Fat Zombie Goldfish to read.

David Russell:

The experience that you get from Fins of Fury: My Big Fat Zombie Goldfish could be the more deep you looking the information that hide in the words the more you get considering reading it. It doesn't mean that this book is hard to recognise but Fins of Fury: My Big Fat Zombie Goldfish giving you thrill feeling of reading. The writer conveys their point in certain way that can be understood through anyone who read that because the author of this book is well-known enough. This particular book also makes your personal vocabulary increase well. Making it easy to understand then can go together with you, both in printed or e-book style are available.
