See-Through Sharks

Stephen Savage

See-Through Sharks Stephen Savage
Four double-sided acetate pages put the secret world of sharks front and center. It’s a remarkable glimpse into one of nature’s most fascinating creatures. Acetate has been used in books before, but never like this. Our approach to the clear pages eliminates backwards or blocked text, making four pages of “see-through” action seem like eight! With these transparent pages, kids can see what’s beneath a shark’s skin, and how its senses work together to help it find food. They’ll learn about types, sizes, and shapes of sharks, their behavior, reproductive habits, what they eat, where they live-even how to avoid a shark attack.
