Charts on the Book of Revelation: Literary, Historical, and Theological Perspectives (Kregel Charts of the Bible and Theology) Mark Wilson
Charts on the Book of Revelation is the first of its kind—a charts book that does not seek to support specific interpretations of end-times prophecies. Instead, it depicts the literary, historical, and theological backgrounds of Revelation, arguably the New Testament's most challenging book. With 79 charts, timelines, and maps (developed especially for this volume), this unique guide promises to help all Bible readers, especially students, teachers, and preachers, regardless of their theological background. All charts are reproducible for classroom use.
