Armed Struggle and the Search for State: The Palestinian National Movement, 1949-1993 Yezid Sayigh
Built upon an unprecedented amount of access to PLO archives, official publications, and the internal documents of various guerrilla groups, as well as over four hundred interviews conducted by the author with the rank-and-file of the PLO, this groundbreaking book affords a definitive account of the Palestinian National Movement. Covering thoroughly the forty-five years between the establishment of the State of Israel in 1948 to the PLO-Israel accord of 1993, this study sheds much new light on the history of the Middle East in the latter half of the twentieth century.
