There s an exclusive lifestyle in America where your body, your game and good looks, all get you paid. These girls become rich girls and are down for whatever it takes to stay on top. ...

Are you a Potential Rich Girl?

Meet Jewell, a five foot nine diva, who was born with a silver spoon in her mouth and an American Express card in her hand. Sadly, when her bank account turns cold, Jewell resorts to a dangerous, ridiculous scam only to maintain her rich girl status.

Meet Nadia, the youngest and least paid of her crew. She spends money like crazy to distract herself from the painful reality of being broke. By hook or crook, she sells her soul to the highest bidder only to keep what little paper she has.

Meet Tori, the hustling diva of the west. Vegas hadn't seen a devilish by any means necessary chick until she showed up in town ready to show off her manipulative skills. Taking the city by storm, she spends her time hustling dope dealers, high-rollers, and any man with a thick wallet.

Together, they take the streets of Vegas by storm. Between chasing money, scamming men, and hustling the system, they vow to stay on top. The girls get desperate when chaos strikes and come up with a corrupt scheme to certify them as rich girls for life.
