God Loves Sex: An Honest Conversation about Sexual Desire and Holiness Dan B. Allender, Tremper III Longman
"It's rare to find a Christian book about sex that is real and helpful and honest. *God Loves Sex* is all of that and more."--Donald Miller, bestselling author of *Blue Like Jazz* and *A Million Miles in a Thousand Years*

The church's stance on sexual matters has been clear throughout history: all sexual activity outside the boundaries of Christian marriage is sin. So we hide our struggles and pretend to live above the erotic fray, or else we embrace the culture's redefinition of what is acceptable. But in this book Allender and Longman explore what the Bible really says about sexual desire and sexual intimacy.

God Loves Sex offers a truly liberating, godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God-sanctioned eroticism. Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity. It asks provocative questions, such as *What does it mean to be both holy and filled with rich sexual desire?* and *How can our sexual struggles take us deeper into the purposes of God?*

Pairing psychological insight with sound biblical scholarship, the authors bring desire and sex out into the open, allowing Christians of any age and any marital status to understand sex the way God meant it to be.

"This is not your average Christian book on sex. This is something better--and it is going to bring clarity, healing, and hope to a *lot* of people."--**John Eldredge**, author of *Wild at Heart*

"I have always loved the Song of Songs, but this book gives me a rich picture of how it can help us to something deeper in our marriage. So healing!"--**Stasi Eldredge**, author of *Captivating* and *Becoming Myself*

"In a world where sex most often lives in confusion, perversion, compulsion, guilt, and shame, it is wonderful that Allender and Longman use the Bible's sex song to restore sex to its original created beauty."--**Paul David Tripp**, author of *Sex & Money*

Dan B. Allender is professor of counseling psychology and is former president of Mars Hill Graduate School in Seattle, Washington. He is the author of several books, including *The Wounded Heart*.

Tremper Longman III is the Robert H. Gundry Professor of Biblical Studies at Westmont College in California. He has authored, coauthored, or edited numerous books, including *The Baker Illustrated Bible Dictionary* and commentaries on several biblical books, including Song of Songs.
