*Pietro Pucci*

**The Song of the Sirens and Other Essays (Greek Studies: Interdisciplinary Approaches)** Pietro Pucci In this collection of his essays on Homer, some new and some appearing for the first time in English, the distinguished scholar Pietro Pucci examines the linguistic and rhetorical features of the poet's works. Arguing that there can be no purely historical interpretation, given that the parameters of interpretation are themselves historically determined, Pucci focuses instead on two features of Homer's rhetoric: repetition of expression (formulae) and its effects on meaning, and the issue of intertextuality.
