The Art of Comics: A Philosophical Approach (New Directions in Aesthetics) Aaron Meskin, Roy T. Cook
The Art of Comics is the first-ever collection of essays published in English devoted to the philosophical topics raised by comics and graphic novels. In an area of growing philosophical interest, this volume constitutes a great leap forward in the development of this fast expanding field, and makes a powerful contribution to the philosophy of art.

- The first-ever anthology to address the philosophical issues raised by the art of comics
- Provides an extensive and thorough introduction to the field, and to comics more generally
- Responds to the increasing philosophical interest in comic art
- Includes a preface by the renowned comics author Warren Ellis
- Many of the chapters are illustrated, and the book carries a stunning cover by the rising young comics star David Heatley
