Have you ever wondered if there is there life after death? If so, where do people go when they die? Whether it’s possible to keep in contact with your loved ones after they die? And are they able to help you? Will you meet them again? There Are No Goodbyes provides answers and comfort for all of these questions, and more.

What happens to us when we die is bound to be a matter of curiosity for most, if not all people. Some believe that when you're dead, you're dead. Others believe that we go on - but to what? There Are No Goodbyes provides reassurance and answers to this and many other questions. The main object is to help people go through their existence on Earth secure in the knowledge that life continues as an adventure towards complete freedom of spirit, so that there's no reason whatever to be afraid of death.

For decades, Paddy McMahon has acted as a bridge between the spiritual and human realms, helping people to connect with their angels, or spirit guides. He believes that we are born with spiritual connections to one or more angels, and if we want their help in life we need to be open to receiving their assistance.
