Stanislavski

Jean Benedetti

Stanislavski Jean Benedetti

'A small jewel of a book, a knowleageable introduction to both Stanislavski's personal development and to the content and range of his writings' Theatre Journal
'â€¦shows the System to be a practical process - drama school students and actors will be grateful for it' Times Eductational Supplement
'A carefully documented study of peak interest and value to every serious student of acting theory' Choice

The Stanislavski 'system' is still the only comprehensive method of actor training we possess. His theories can be hard to grasp and many academic books are impenetrable on the subject. This is a concise book for students that presents a readable introduction to the life and work of Stanislavski. It shows the slow growth of the 'system', from its roots in the tradition of Russian realism, to the various phases it went through until the final emergence of the Method of Physical Action in the years before his death. It also provides a short account of the writing, publication and translation of Stanislavski's books on acting.

In this edition, Jean Benedetti makes several important updates in the light of new material and new translations becoming available.

From reader reviews:

Dominic Loflin:

What do you regarding book? It is not important with you? Or just adding material if you want something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question due to the fact just their can do that. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this Stanislavski to read.

Tracy Lindsey:

Reading a reserve can be one of a lot of task that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new facts. When you read a reserve you will get new information mainly because book is one of numerous ways to share the information or maybe their idea. Second, examining a book will make anyone more imaginative. When you reading through a book especially fictional book the author will bring you to definitely imagine the story how the personas do it anything. Third, you may share your knowledge to others. When you read this Stanislavski, you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire average, make them reading a publication.

Effie Phillips:

People live in this new morning of lifestyle always aim to and must have the extra time or they will get lot of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is definitely Stanislavski.

Clifford Stoner:

Reading a book for being new life style in this year; every people loves to learn a book. When you learn a book you can get a lot of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, and soon. The Stanislavski provide you with new experience in examining a book.
