Coming home from work to find my boyfriend banging our hairy, married landlord—in our bed—was bad enough. Discovering Jamie had also cleaned out my bank accounts made it officially the worst day of my life. I think I can be forgiven for wanting revenge, even if a few little laws (and possibly Jamie's nose) got bent in the process.

Fortunately, the law is on my side in the form of my oldest friend, Tony Gervase. I've tried to deny my attraction to the sexy trooper for years. After all, he made it clear long ago that he wasn't interested in me that way. But if the hot encounter in his kitchen is any indication, he is now. At least the day is ending a whole lot better than it began...

But the morning after, the Jamie situation goes from bad to seriously messed up. The jerk's in more trouble than I could have imagined. And as it turns out, I don't know Tony as well as I thought I did either...
