"The diabolical sisters of the Chesapeake Chapter of Sisters in Crime have raised the stakes: not only asking their astute members to offer up a gem of a short story, but to add a degree of difficulty. It has to be about the weather…. Rain, snowstorms, hurricanes. The glare of the sun. The shrouding fog. Clouds, mist, hail, and icy roads. The Chessies have used their writerly talent to embrace the weather, to relish it, and to provide us with a raft of meteorological (and deadly) delights."
-- Hank Phillippi Ryan, bestselling author of the Jane Ryland series
