Discursos de Brigham Young (Portuguese Edition) John Widstoe

Os discursos de Brigham Young

Aqueles que não são familiarizados com o gênio e com a personalidade de Brigham Young encontrará neste volume uma introdução maravilhosa tanto sobre o homem quanto sobre sua mensagem. Trechos de suas muitas décadas de discursos foram organizados em tópicos para mostrar o sistema prático de fé que ele ensinou, o que permitiu que os primeiros colonos pioneiros vencessem a grande oposição para a construção do reino de Deus.

Aqui estão os pronunciamentos do Irmão Brigham sobre a personalidade de Deus, a revelação, a progressão eterna, os últimos dias, o controle de natalidade, o ganho de um testemunho, a cura dos enfermos, e o trabalho missionário. Esses discursos são o testemunho de Brigham Young da existência de Deus, da missão divina de Jesus Cristo, da restauração do evangelho em sua plenitude por Joseph Smith, e da possibilidade de assegurar a felicidade aqui e no futuro pela obediência às exigências do evangelho.
