This work, the third volume in its series, is devoted entirely to the procedural issues that may arise during the course of an arbitration procedure.

With this trilingual publication, CEPANI wishes to highlight the importance of the proper conduct of arbitral proceedings. Furthermore, the Centre also seeks to enhance the attractiveness of arbitration, in Belgium as well as internationally, by contributing to a better knowledge of arbitral proceedings and their rules.

The selected arbitral awards come with comments from expert practitioners and academics in English, Dutch or French, including a summary in the two other languages. The work also includes an index of key words for easy reference.

Cet ouvrage, intégralement consacré aux questions de procédure susceptibles d’être rencontrées tout au long de la procédure arbitrale, constitue le troisième volume de la série.

Cette publication trilingue, s’inscrit dans la volonté du CEPANI de mettre en évidence l’importance de la bonne conduite d’une procédure arbitrale. Le Centre a également l’ambition de renforcer l’attractivité de l’arbitrage, tant en Belgique qu’au niveau international, en diffusant une meilleure connaissance de la procédure arbitrale et de son règlement.

Une équipe de praticiens expérimentés et d’universitaires spécialisés commentent les décisions sélectionnées en anglais, néerlandais ou français. Un résumé est joint dans les deux autres langues. La consultation de cet ouvrage est facilitée par un index de mots clés.

Dit werk, het derde deel van een reeks, is integraal gewijd aan procedurekwesties die kunnen opduiken tijdens een arbitrageprocedure.

CEPANI wil met deze drietalige publicatie de aandacht vestigen op het belang van een goed gevoerde arbitrageprocedure. Daarnaast koestert het Centrum ook de ambitie om de aantrekkelijkheid van arbitrage te

vergroten, zowel in België als internationaal, door in te zetten op een grotere bekendheid van de arbitrale procedure en van het desbetreffende reglement.

De geselecteerde arbitrale uitspraken zijn voorzien van commentaren door ervaren vakmensen en gespecialiseerde academici in het Engels, Frans of Nederlands, inclusief een samenvatting in de twee andere talen. Een index van sleutelwoorden vergemakkelijkt de raadpleging van het werk.
