Steve Hayner was serving as president of Columbia Seminary and was healthy and fit when he found out he had terminal pancreatic cancer. He and his wife, Sharol, embarked on a journey together with their children that soon included tens of thousands of visits from friends and acquaintances via the CaringBridge website. The overwhelming response to their posts on this website attested to the surprising and engaging way that they chose to live in the face of death.

As a result they uncovered the remarkable truth that God, our good Shepherd, provides a feast for us when we are in the valley of the shadow of death as well as in the green pastures.

Steve was always known for signing letters and emails, "joyfully." These pages, including reflections from some of those closest to Steve and Sharol, offer us a hope-filled glimpse into what it means to walk with God in honesty, with joy, even through great pain.
