Who were John Alexander Dowie, Maria Woodworth-Etter, and Smith Wigglesworth? Who were Charles Price, William Branham, Aimee Semple McPherson, and A.A. Allen? Who were these people who carried the mantle of the healing evangelist in the twentieth century? The era of the great tent meetings and healing revivals was covered with both glory and controversy. Don Stewart experienced it first-hand - he was mentored by A.A. Allen in the 1960's. His eyewitness accounts, personal remembrances, and documented stories reveal the truth of the tragedies and the triumphs of many of these men and women of God. The day of huge tent meetings may be over, but the mighty power and presence of the Holy Spirit is still in the earth! God is still using human vessels to demonstrate His love and grace to hurting people. Discover how the timeless legacy of these ministers of God continues to affect our Christian culture today and into the next millennium.
