Little Big Man: A Novel

Thomas Berger

Little Big Man: A Novel Thomas Berger
"The truth is always made up of little particulars which sound ridiculous when repeated." So says Jack Crabb, the 111-year-old narrator of Thomas Berger's 1964 masterpiece of American fiction, *Little Big Man*. Berger claimed the Western as serious literature with this savage and epic account of one man's extraordinary double life.

After surviving the massacre of his pioneer family, ten-year-old Jack is adopted by an Indian chief who nicknames him Little Big Man. As a Cheyenne, he feasts on dog, loves four wives, and sees his people butchered by horse soldiers commanded by General George Armstrong Custer. Later, living as a white man once more, he hunts the buffalo to near-extinction, tangles with Wyatt Earp, cheats Wild Bill Hickok, and fights in the Battle of Little Bighorn alongside Custer himself—a man he'd sworn to kill. Hailed by *The Nation* as "a seminal event," *Little Big Man* is a singular literary achievement that, like its hero, only gets better with age.

Praise for *Little Big Man*

"An epic such as Mark Twain might have given us."**—Henry Miller**

"The very best novel ever about the American West."***—The New York Times Book Review***

"Spellbinding . . . [Crabb] surely must be one of the most delightfully absurd fictional fossils ever unearthed."***—Time***

"Superb . . . Berger's success in capturing the points of view and emotional atmosphere of a vanished era is uncanny. His skill in characterization, his narrative power and his somewhat cynical humor are all outstanding."***—The New York Times***

From the Trade Paperback edition.
