Murder at Cape Three Points (A Darko Dawson Mystery) Kwei Quartey
Accra's hotshot Detective Inspector Darko Dawson returns to solve a complex mystery that will take him out of the city to the beautiful coasts of Ghana, where a grim double-murder seems to have larger political implications.

A canoe washes up at a Ghanaian off-shore oil rig site. Inside it are the bodies of a prominent, wealthy couple, Charles and Fiona Smith-Aidoo, who have been ritualistically murdered. Pillars in their community, they are mourned by everyone, but especially by their niece Sapphire. She is not happy that months have passed since the murder and the local police have made no headway in figuring out who committed the gruesome crime.

Detective Inspector Darko Dawson of the Accra police force is sent out to Cape Three Points to investigate. The more he learns about the case, the more convoluted it becomes. Three Points has long been occupied by traditional fishing populations, but real estate entrepreneurs and wealthy oil companies have been trying to bribe the indigenous inhabitants to move out. Dawson unearths a host of motives for murder, ranging from personal vendettas to corporate conspiracies.
