Small World Big Ideas: There's an Activist in All of Us and You Don't Have to Shout to be Heard (Conscious Living) Satish Kumar

THERE’S AN ACTIVIST IN ALL OF US AND YOU DON’T HAVE TO SHOUT TO BE HEARD.

That’s the message from internationally respected peace activist SATISH KUMAR, who has been quietly setting the agenda for change for over fifty years. And to prove it, Satish has invited ten of those activists he most admires to join him in sharing their inspiring life stories, revealing who or what made them want to change the world and what kind of world they want to help create.

They are green activists and politicians BOB BROWN and CAROLINE LUCAS, climate change campaigner and filmmaker FRANNY ARMSTRONG, conservationists TIM FLANNERY and JANE GOODALL, environmentalists BILL McKIBBEN and VANDANA SHIVA, slow food advocate CARLO PETRINI, environment lawyer POLLY HIGGINS and mind–body healing pioneer DEEPAK CHOPRA. Their illuminating stories will encourage all of us to put our big ideas into action.
