Everyday confidence and lifelong self-esteem: With this audiobook, I believe anyone can create abundant confidence and self-esteem in just seven weeks.

True confidence allows one small man to stare down three younger and larger guys who are looking for a fight. True confidence catches the attention of the most beautiful girl or most handsome man in the room. Yet, confidence is a temporary state that can change day to day. What we really want is to feel true confidence coming from our high self-esteem.

What we really want is unstoppable self-esteem. The kind of Unstoppable Self-Esteem that draws people in, opens doors, and allows you to define and create your own reality. The kind of Unstoppable Self-Esteem that doesn't fluctuate from one day to another. The kind of Unstoppable Self-Esteem that powers your confidence each and every day.

This is why I wrote this book, my third in the area of Self-Esteem. Buy this book, listen to it, follow the instructions, and soon you will experience the Unstoppable Self-Esteem you've always deserved.
