**De Valera in America: The Rebel President"€™s 1919 Campaign.** Dave Hannigan
Retraces the steps of an incredible journey of a leader in exile that would resonate through Irish history for the rest of the century ... In June 1919 Eamon de Valera stowed away on a liner bound for New York and walked into the Waldorf-Astoria using the title ‘President of Ireland’. He spent eighteen months billeted in the most expensive hotel in the world. From this luxurious base, de Valera criss-crossed America by plane, boat and train throughout 1919 and 1920, publicising his nation’s plight and raising more than $5 million for the cause of Irish independence. While the War of Independence raged back home, de Valera was supporting the cause with packed engagements from Madison Square Garden to San Francisco including a total audience of over a million people. Along the way he underwent a harsh and unforgiving political education that better equipped him to dominate Irish politics for decades. Offering a unique take on a familiar figure, and containing fascinating information and photographs, this book details an intriguing and largely unknown episode in the career of Ireland’s most famous politician.

**Tania Hansen:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we

know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this De Valera in America: The Rebel President"€™s 1919 Campaign. can make you truly feel more interested to read.
