HARDY-HAR-HAR!

Meet Otis Dooda. Yes, that's his name. Go on and have a good laugh. He's heard it all before. He's been called things like Otis Poopy Stink and Otis Toilet Twinkie. That's right, yuck it up and get it out of your system. We'll wait.

All right then. This is the story of Otis and the Dooda family (including their rat named Smoochie) moving to New York City, and the incredibly strange, but true, things that happened to them. It all started with Otis getting cursed by a guy in a potted plant in their apartment building lobby, and then meeting a bunch of their neighbors, including a farting pony named Peaches who was disguised as a dog. And that was just the first day.
