Beyond the Ordinary: Ten Strengths of U.S. Congregations Cynthia Woolever, Deborah Bruce

Results from the U.S. Congregational Life Survey, the largest project of its type ever conducted in the United States, have prompted this second book from Westminster John Knox Press authors Cynthia Woolever and Deborah Bruce. Their original work, *A Field Guide to U.S. Congregations: Who's Going Where and Why*, explores the practices and activities of worshipers in more than 2,000 U.S. congregations, encompassing more than 300,000 worshipers across a representative sample of denominations and faith groups. This book describes the qualities that are evident in strong congregations and develops congregational applications from those findings. Like the first book, it is helpfully illustrated with charts, graphs, and cartoons.

Sarah Petty:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Beyond the Ordinary: Ten Strengths of U.S. Congregations can make you feel more interested to read.
