A Better Angel: Stories

Chris Adrian

A Better Angel: Stories Chris Adrian

The stories in *A Better Angel* describe the terrain of human suffering—illness, regret, mourning, sympathy—in the most unusual of ways. In "Stab," a bereaved twin starts a friendship with a homicidal fifth grader in the hope that she can somehow lead him back to his dead brother. In "Why Antichrist?" a boy tries to contact the spirit of his dead father and finds himself talking to the Devil instead. In the remarkable title story, a ne'er do well pediatrician returns home to take care of his dying father, all the while under the scrutiny of an easily-disappointed heavenly agent.

With *Gob's Grief* and *The Children's Hospital*, Chris Adrian announced himself as a writer of rare talent and originality. The stories in *A Better Angel*, some of which have appeared in *The New Yorker*, *Tin House*, and *McSweeney's*, demonstrate more of his endless inventiveness and wit, and they confirm his growing reputation as a most exciting and unusual literary voice—of heartbreaking, magical, and darkly comic tales.
