A Multidimensional Approach to Leadership

Top-down, one-dimensional leadership models are hopelessly outmoded in today's rapidly changing world, and they waste the leadership ability that is present *throughout* an organization. In this visionary book, Karen and Henry Kimsey-House provide a model that harnesses the possibility of many rather than relying on the power of one. Their revolutionary five-dimensional approach recognizes that leadership has to be fluid and flexible and that the roles leaders and followers play must shift to suit the situation. Co-Active Leadership invites all of us to share our expertise and allows collaborative solutions to emerge that would never have been possible otherwise.
