Program Evaluation for Social Workers: Foundations of Evidence-Based Programs Richard M. Jr Grinnell, Peter A. Gabor, Yvonne A. Unrau
Now in its seventh edition, this comprehensive text once again provides beginning social work students and practitioners with a proven, time-tested approach to help them understand and appreciate how to use basic evaluation techniques within their individual cases (case-level) and the programs where they work (program-level). As with the previous six editions, this text is eminently approachable, accessible, straightforward, and most importantly, practical.
