Challenging Behaviour

Eric Emerson, Stewart L. Einfeld

Challenging Behaviour Eric Emerson, Stewart L. Einfeld
'Challenging' behaviours are common among people with intellectual disabilities, resulting in significantly reduced quality of life. These may include aggression, self-injury, destructiveness, hyperactivity and inappropriate social conduct. This new edition provides a concise, accessible and contemporary summary of current knowledge about challenging behaviour, drawn from psychology, psychiatry, medicine and public health. Fully updated and revised, it includes comprehensive coverage of the epidemiology and aetiology of challenging behaviours, and evidence of the efficacy and effectiveness of different approaches to intervention. This edition contains significantly expanded sections on the emergence and development of challenging behaviour and strategies for prevention, at the level of both individuals and service systems. Essential reading for students undertaking professional training in health and related aspects of intellectual disabilities, including psychologists, psychiatrists, nurses, teachers and social workers. This book is a key text for professional staff delivering health, educational and social care services to people with intellectual disabilities.
