Ouija Board Nightmares: Terrifying True Tales John Harker

The Ouija board continues to be a popular means of entertainment for a wide variety of people: paranormal thrill-seekers, adventurous adolescents, temperamental teens, tipsy party guests, and even curious skeptics. Most of the time, those who dabble with the Ouija experience nothing out of the ordinary. But many times that's not the case. And many times that extraordinary experience isn't just strange, but downright awful.

Ouija Board Nightmares takes a look at some of those terrifying experiences, which range from nightmarish manifestations to outright physical assaults. The author's intention is to inform and engage, but primarily to warn. While the Ouija board may be marketed as a harmless game, it is indeed neither. If the accounts in this book don't convince you of that, then nothing will.
