Daughter of York: A Novel

Anne Easter Smith

Daughter of York: A Novel Anne Easter Smith
History tells us that the intelligent, wealthy, and powerful Margaret of York had everything any woman could want, except for love. The acclaimed author of *A Rose for the Crown* takes us between the lines of history and into her heart.

It is 1461: Edward, son of Richard of York, ascends to the throne, and his willful sister, Margaret, immediately becomes a pawn in European politics as Edward negotiates her marriage. The young Margaret falls deeply in love with Anthony Woodville, the married brother of Edward's queen, Elizabeth. But Edward has arranged for his sister to wed Charles, son of the Duke of Burgundy, and soon Margaret is setting sail for her new life. Her official escort: Anthony Woodville. Margaret of York eventually commanded the respect and admiration of much of Europe, but it appears to history that she had no emotional intimate. Anne Easter Smith's rare gift for storytelling and her extensive research reveal the love that burned at the center of Margaret's life, adding a new dimension to the story of one of the fifteenth century's most powerful women.
